

## INTRO

*Have you ever wanted to be highly productive as an effective leader and still have a life?*

*Would you like to learn the keys of living, leading and finishing well?*

If you answered YES to either question, you're in the right place!

- Our speaker today is an international leadership consultant and author of four books.
- His latest book, Quest of the Keys, has been read by over 100,00 students in thirty-three states.
- He started his first business at age 17 and became Entrepreneur of the Year at the age of 26.
- He married his junior high school sweetheart, has two children and four amazing granddaughters.

Here today,  
helping us to live, lead and finish well,  
please welcome to the stage,  
from Dallas, Texas...
