

SCOTTYSANDERS

HELPING YOU LEAD WELL

RIDER

Here's what Scotty needs in order to serve your organization with excellence. If you have any questions, please contact our office by email at info@scottysanders.com. You will find Scotty a pleasure to work with, and his team fully dedicated to delivering exceptional events.

Keynote Stage Set-Up:

- One room temperature bottle of water
- Lavalier microphone or dual-ear headset microphone
- Projector / screen with sound if Scotty will be using presentation slides (i.e. PowerPoint / Keynote)*

Workshop/Seminar Set-Up:

- Two room temperature bottles of water
- Lavalier microphone or dual-ear headset microphone (only needed for larger rooms)
- Projector / screen with sound if Scotty will be using presentation slides (i.e. PowerPoint / Keynote)*

Photography/Videography

- You are permitted and ENCOURAGED to photograph Scotty during the event, provided digital copies of images are made available to Scotty for use at no cost.
- You are permitted and ENCOURAGED to audio/video record the program(s) provided a digital copy of all recordings is made available to Scotty for use at no cost, and the recording is only used for promotional purposes within your organization.
- Audio / video recordings may not be used for training, inside or outside your organization, without express permission from Scotty Sanders.

*Please contact our office at info@scottysanders.com if your meeting room or auditorium is not set up for presentation slides, or you do not have proper equipment.
